## PO 40 Pulse Oximeter

 german  
engineering

Determining oxygen saturation (SpO<sub>2</sub>), heart rate (pulse) and perfusion index (PI)

Determining arterial oxygen saturation (SpO<sub>2</sub>), heart rate (pulse frequency) and pulsmodulation index (PMI)

Simple and completely pain-free measurement

Small and light – for use at home and on the move

Particularly suitable for persons with:

- Heart failure
- Chronic obstructive pulmonary diseases
- Bronchial asthma

Suitable for sports at high altitudes (e.g. mountaineering, skiing and aviation sports)

Symbol display for inaccurate measurement

Easy-to-read colour display

Colour display with 7 display formats

Adjustable display brightness

Graphical display of pulse

Low battery indicator

Automatic switch-off

Incl. retaining strap and belt pouch

Medical product

Incl. 2 x AAA batteries

Product measurements: 58.4 x 33.5 x 37 mm

Product weight: approx. 57 g (including batteries)

5 year guarantee

Sales unit: 4 / Shipping carton: 8 x 4

EAN no.: 421112545432 6

Item no.: 454.32
